## Boulevard Spotlight

### Wrapping up 2025

Brookline Together would like to thank the businesses, congregations and volunteers that generously donated their time and energy to help make Brookline Lights Up! a memorable event for the community's children and their families. Boulevard businesses treated the community to free food and drink, activities, an inflatable play set, movie screenings, crafts, music, photos with Santa, a tree festival, a petting zoo, and inspirational words from community leaders. A special thank you to Brookline resident Anthony Keane who used a drone camera to provide a unique view of the tree lighting ceremony.

## Safety First

Don't be an easy target. Lock your car doors to avoid break-ins and thefts. **If you see people attempting to gain entry to your or a neighbor's vehicle or any crime in progress, call 911.** We encourage everyone to join Brookline's Block Watch, which meets on the second Tuesday of every month, usually at 6:30 p.m. at Judge Motznik's Magistrate's Office, 736 Brookline Boulevard. If you have ideas about community safety and security, the Block Watch would love to hear from you!
